

Dear Community Member and Partner,

The journey continues Saturday, October 20th, 2018, with our 8th annual fundraising event. First, we must acknowledge the reprieve we took last year out of respect for those impacted by the local fires. The common thread is the difficulty of balancing life within the context of crisis.

Our mission to assist cancer patients during treatment has not changed, our charge to serve is steadfast. We will continue to support the urgent needs of those impacted financially during treatment by providing help with expenses such as groceries and basic necessities, with a growing emphasis on nourishment and resource support.

Please consider making a donation to Crush Cancer Napa Valley in support of the vision we have established as a community. We hope to secure standard and large-format bottles, mini-verticals, and unique experiences that will inspire those to give on behalf of the greater good.

Please contact us with any questions and mark your calendar for our 5K and Silent Auction on October 20th. We look forward to your participation and to continuing this journey with you!

With appreciation,

Rayellen Jordan, Chair • Robin Jankiewicz, Treasurer • Deja Harrington, Secretary
